

# Prayer to the Great White Spirit

Prayer to the Great White Spirit  
Lord God of my being,  
Come forward and reach out  
Through the either waves  
To Touch the Robes of the Great White  
Spirit.

May these beings of higher light  
Recognize and acknowledge that  
Spirit Memorial Garden represents  
Our gratitude and gratefulness  
For all their wondrous deeds.

Lone Eagle, my beloved friend.  
Come forward this hour.  
And allow us to pay homage to you.  
He Pray that Spirit Memorial Garden will  
Always into forever be  
A symbol of welcome greeting to you.  
May the Light within me  
Always Make you proud of me.  
And May I continue to be your loyal  
servant, always.

May the Angels and Spirits of the highest  
light  
Be at your side forevermore  
As they have in the forever past.

Amen. And So Be It!
