

# A Surprise Testimonial for Carl & GOTSC 25th Anniversary Affirmation and Toast

Lord God of my Being,  
Unto the God Within  
Come forward this moment this hour  
and obey these words.

Go forth out into the universe  
And the touch the hem of the great teacher Ramtha,  
the great teacher Joshua ben Joseph (Jesus)  
The great teacher AWAN  
and invite them to join us  
in this grand celebration.

Got forth and invite  
the great spirit of Chief Lone Eagle,  
Chief Lone Wolf, Dr. Holman,  
and go forth and invite  
the spirits of the great mediums  
Bill English, Rev. Bingham,  
Austin Wallace, Charles Swan,  
Gilbert Burke, Clifford Bias, Mimi Shultz Brown.  
Lastly, invite all the other  
wonderful spirits and helpers in Carl's band.

May these words touch  
and resonate with all these spiritual entities,  
who we have just invited.

May they join us to rejoice  
at the accomplishments  
of their medium.  
Our heartfelt thanks  
and sincere gratitude  
goes to all of you,  
wonderful entities,  
who are our teachers and friends,  
Residing in the World of Spirit.

You have been the wind at our backs.  
which have bolstered us through our daily turmoil.  
You have lead our medium  
and as a result,  
you have led us.  
Now each of us

wish to honor and applaud  
the great work you have done for us.  
Continue to lead our medium,  
Carl Hewitt, in the work that he is to do.  
Energize and strengthen him,  
and draw even closer to him,  
so that he may manifest  
your message, and your glory  
upon this plane.

Lord God of my being  
unto the God within  
come forward this very special moment.  
This unique hour,  
and bring froth the Christ consciousness  
from within me.  
Energize this wine, with love  
from the holiest part of my being  
my holy soul,  
bring forth energy of blessings  
and bestow these blessings  
upon our brother,  
upon our leader,  
Carl Hewitt  
so that as he goes forth,  
on a path which lays before him  
he goes with courage.  
Strengthen his resolve  
on his mission.  
Clarify his vision,  
And help him to manifest  
all that he needs to bring forth  
the truth from the Spirit World.  
I now raise my glass  
high into the higher vibrations of Spirit.  
To life  
To truth  
To knowledge  
To the World of Spirit  
to Rev. Carl Hewitt,  
Happy anniversary.  
So Be it!
