

O my beloved God  
That which has given me life  
Unto this hour  
I do celebrate  
That which you are.

O my beloved God  
Open my mind  
And reveal yourself  
Through my life.

O my beloved God  
Of my life  
I desire to know  
All that I do not know.

I beg unto you  
Extend my life greatly  
That it is everyday  
Filled with purpose  
And manifested destiny.

Love I you greatly.  
So Be It.
