

Jesus' words are the "Keys To A Knowingness System"

A Powerful Prayer

*Oh my beloved God,
My omnipotent Spirit
Let me humbly speak to you.*

I recognize that you are holy, holy, holy!

*I desire to live within your spiritual kingdom.
I call forth this divine kingdom
So that it may be made manifest on earth.*

*Oh my beloved God,
The goals of my life are meaningless.
Therefore, I invite you to come forward
To make known Your eternal destiny,
So I may manifest Your divine plan into the world.
Empower me with all that I learn.
I will accept every word into instant manifestation.*

*Oh holy Spirit
I give my humble life to you this week.
And I eagerly await you to reveal my spiritual path
I invite all necessary runners, feelings and impression,
That I need to manifest your will.
I place the humanity of my being, into your Divine hands.*

*So say I!
So be it!*
