I'm grateful that our lives touched, Carl. Thank you for providing that wonderful, safe place for us to learn and grow. Thank you for your kindness. You're with them now and have looked upon their faces and spirit and know their names, haven't you? What joy! Carol

After years of searching for unanswered questions, Sy and I decided to check out your church and couldn't believe how quickly you answered all those questions and became a part of our 'family'. You will be greatly missed, but you are in a much better place.

With much love,  
Peace and Light,  
Marci and Sy

I had first met you in 1976 and did not understand the gifts that I was experiencing; you helped me to not have fear but to embrace and open my heart and soul. Thank you for all your teachings and knowledge you have given to my family and myself over the years. You will be so greatly missed.

I just heard about the crossing over of Carl Hewitt, a friend and teacher who transformed my life. He was so full of love and did not judge. He introduced me to knowledge that I could never have found otherwise. He dedicated his life to helping others, and I will never forget him. I cannot express how grateful that I am that he took the time to teach me, no other person has ever done that, and I hope to pay it forward.
