

## Carl's 9<sup>th</sup> Birthday in the Spirit World

This story is a continuation "Carl's Sixth Birthday in the Spirit World." The story begins with an email from Peggy Blake seeing Carl's name on the 6th anniversary of Carl's transition to the Spirit World. Nine days later, on February 4<sup>th</sup>, 2011, Peggy sends me another email.

Hi Sid,

Carl is still in my connective flow. I saw a license plate yesterday with the letters C A R L on the front plate of a car that was on the road in my travels.

Take care,

Peggy

On February 7, 2011 I sent Peggy this email

Hi Peggy,

I had a fantastic experience this Saturday [February 5, 2011]. A friend and I left early to drive to CT for the [Gifts of the Spirit] Church service. We had time to eat lunch, so we went to Longhorn Steakhouse, near the Crystal Mall. After lunch we still had some time, so my friend suggested we go to Crystal Mall. I parked our car, and as we were walking into the mall I saw this car with a CT license plate on it. It truly shocked me, since it was the day after you sent the email telling me about the "Carl license plate." Carl is really working overtime!

Peace and light!

Sid

Carl's 9<sup>th</sup> Birthday in the Spirit World

## 2 Days after Carl's 9<sup>th</sup> Birthday in the Spirit World

Today, I received a text message from James Semmelrock, who is clairvoyant and clairaudient. Two hours after Carl transitioned to the Spirit World, I called Jim to inform him of Carl's passing. As we were talking, Carl appeared to Jim, and told him that he was OK, and Carl proceeded to give me instructions about his funeral, including what tie I should wear!

So I found it very ironic that two days after the anniversary of his transition, Jim sent me the picture of the very car with the Connecticut license plate C A R L, that Peggy had seen 3 years previously.

The symmetry of these events becomes mind-boggling.

- ◆ Carl spoke to James Semmelrock 2 hours after he transitioned into the Spirit World.
- ◆ 9 days after Carl's 6<sup>th</sup> Spirit Birthday Peggy Blake saw the "Carl license plate."
- ◆ The next day I saw the "Hewitt license plate."
- ◆ 2 days after Carl's 9<sup>th</sup> Spirit Birthday James Semmelrock sent me the picture of the "Carl license plate."
- ◆ Now I have pictures of the "Carl" & "Hewitt" Connecticut license plates.
