O my beloved God,  
beloved of my being,  
O my Christ, ideal of my being,  
listen unto me this hour.  
Lift me up, that I may hear.  
Lift me up, that I may know.  
Give me the wisdom to understand  
and be my God against fear.  
O my God  
that is within me,  
awaken this day,  
that this day  
may be the beginning  
of forever and ever and ever.  
O my God, love I you greatly.  
So be it.

O my God,  
my beloved,  
uplift me from my sorrow,  
from my pain,  
from my sickness.  
O my God,  
uplift me from my limitation.  
Bring me forth  
and set me upon even ground.  
My beloved Father,  
empower this your child  
to live the life  
forever and ever and ever.  
So be it!

*From the lord God of my being,  
unto that which is,  
prepare me, my Spirit.*

*Open my mind,  
indeed, my eyes,  
indeed, my ears,  
that I may hear,  
see, know, experience,  
all that is.*

*So be it!*

*O my Spirit,  
holy, holy, holy are you.  
You are omnipotent;  
you are eternal.  
Hear me, I beseech you, hear me.  
I command you,  
my all powerful Spirit,  
in my name,  
to release me from  
my past,  
to free my mind  
and to free my body,  
that I may have radiant health.  
I command you in my name  
to do this swiftly.  
So be it.*

O my beloved God,  
O my beloved Spirit,  
of that which has created me,  
such is your power  
that hath hung the moon  
in forever.  
I desire of you  
to change me  
and remove my blocks,  
present my limitations,  
and give me the courage  
to conquer them.  
So say I  
from the lord God of my being.  
So be it.  
To life.

O my beloved God, mysterious One,  
that which has no face and no name,  
that which you are,  
I ask of you this day  
from the deepest part of my being,  
that you enrich my life,  
indeed, that you open my mind,  
that that which you are may manifest  
through me.  
O my beloved God,  
this I desire above all else,  
to live within your most beauteous bosom.  
My beloved God, I ask this fine morn  
that that which I learn I may experience.  
And make me humble, that I may understand.  
Love I you greatly.  
So be it.

## Rev. Carl R. Hewitt

Psychic-Medium

Founder and Pastor of Gifts of the Spirit Church in 1977

Transitioned from the physical to the Spirit body January 26, 2005

Carl was born on March 3, 1928 in Shalotte, NC. He went to school at Shalotte High School. He was born as a clairvoyant, clairaudient medium, and during his early childhood, he predicted events for people visiting his family.

In 1933, Carl's mediumistic abilities were tested at Dr. Rhine's institute associated with Duke University, in Durham, NC. He was further tested and certified by several psychically research centers including one owned by Henry Belk, of Belk Department Stores.

In 1954 several ascended masters visited Carl and commissioned him to create a teaching ministry. In 1977 he finally consented and allowed Spirit to teach through him to the best of his ability.

Rev. Hewitt's mediumistic abilities achieved world recognition, he had clients from all over the United States, and as far away as Hong Kong, the Philippines, Ghana, and Saudi Arabia. He taught seminars to thousands of people world-wide.

In 1999 Carl received physical confirmation that Joshua ben Joseph, known as Jesus to most people, was one of the ascended masters who worked through Carl's mediumship.

The following paragraph is once such example, because Spirit never misses an opportunity to teach. Carl dictated these words for this announcement.

The ascended masters made it clear that Jesus only taught the Gifts of the Spirit and he said many times to his students, "What you see me do you can do even greater things shall you do. To do this I [Jesus] have to go to my father, my spiritual body. I did not finalize my teaching because I was silenced by the priests at the time, who saw me as a threat to their livelihood. The conflict between religion's priesthood and mediums has been the true story ever since I walked the earth.

The World of Spirit is just as real as the physical world. We who reside in the world of spirit have been communicating with those of you in the physical world as far back as man has walked on this planet. Orthodox religion does not want their followers to understand this, because once they do, they will realize that God is within them, not in some far off real estate in the sky. Furthermore, a church and its priesthood is not required to communicate with the God within.

In the last several years of his life Rev. Hewitt has appeared on a weekly public access TV show, *Making Known the Unknown*, from Norwich, CT, where thousands of people have become acquainted with Spirit's teachings through him.

Spirit has appointed Sidney Schwartz to continue this work, therefore, in lieu of flowers please send a donation to: Gifts of the Spirit Church, 1836 Ashley River Road, Suite 315, Charleston, SC 29407
