

## Rev. Carl R. Hewitt

Psychic-Medium  
 Founder and Pastor of Gifts of the Spirit  
 Church in 1977  
 Transitioned from the physical to the Spirit  
 body January 26, 2005

Carl was born on March 3, 1928 in Shalotte, NC. He went to school at Shalotte High School. He was born as a clairvoyant, clairaudient medium, and during his early childhood, he predicted events for people visiting his family.

In 1933, Carl's mediumistic abilities were tested at Dr. Rhine's institute associated with Duke University, in Durham, NC. He was further tested and certified by several psychic research centers including one owned by Henry Belk, of Belk Department Stores.

In 1954 several ascended masters visited Carl and commissioned him to create a teaching ministry. In 1977 he finally consented and allowed Spirit to teach through him to the best of his ability.

Rev. Hewitt's mediumistic abilities achieved world recognition, he had clients from all over the United States, and as far away as Hong Kong, the Philippines, Ghana, and Saudi Arabia. He taught seminars to thousands of people world-wide.

In 1999 Carl received physical confirmation that Joshua ben Joseph, known as Jesus to most people, was one of the ascended masters who worked through Carl's mediumship.

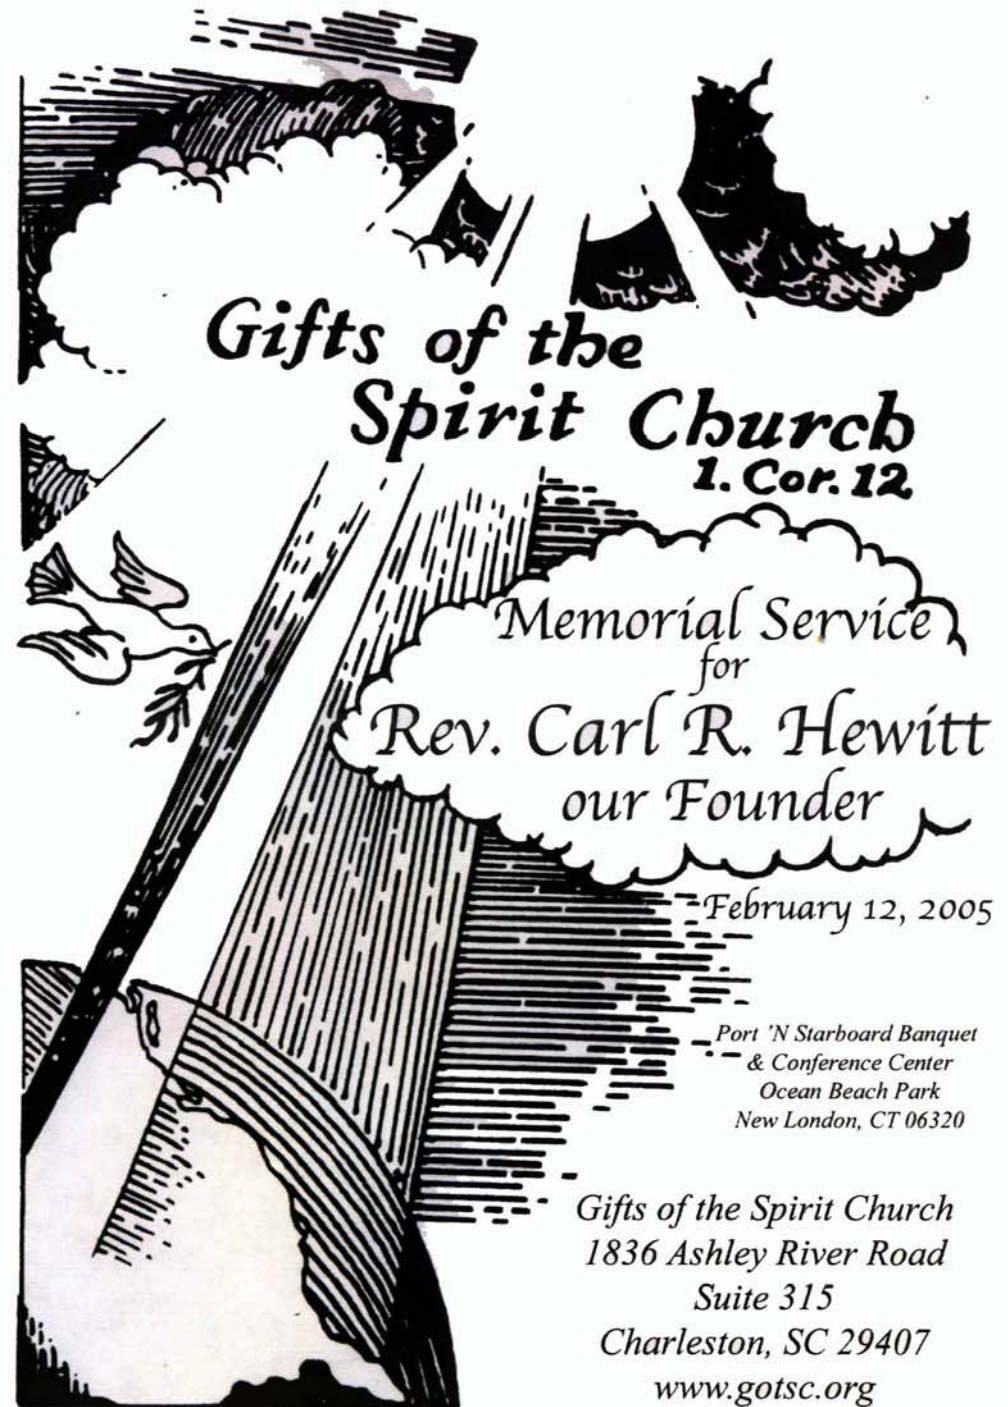

The following paragraph is once such example, because Spirit never misses an opportunity to teach. Carl dictated these words for this announcement.

The ascended masters made it clear that Jesus only taught the Gifts of the Spirit and he said many times to his students, "What you see me do you can do even greater things shall you do. To do this I [Jesus] have to go to my father, my spiritual body. I did not finalize my teaching because I was silenced by the priests at the time, who saw me as a threat to their livelihood. The conflict between religion's priesthood and mediums has been the true story ever since I walked the earth.

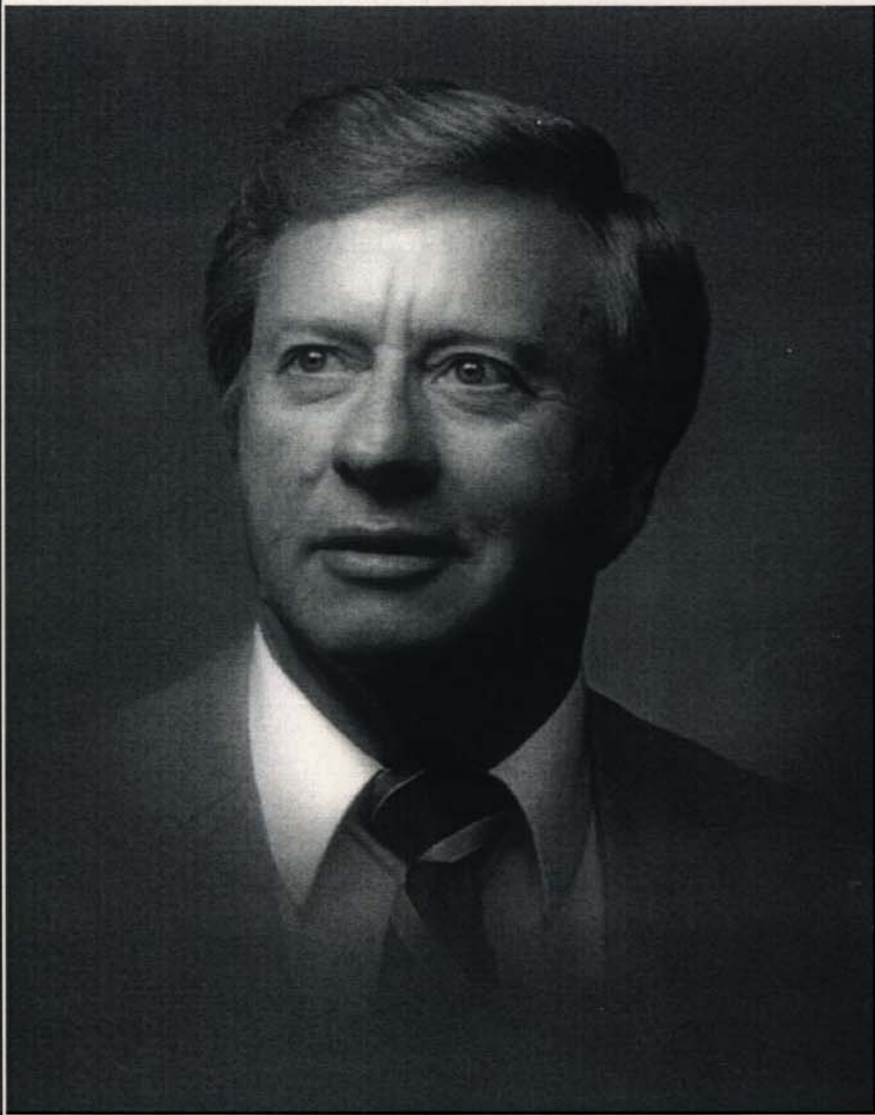

The World of Spirit is just as real as the physical world. We who reside in the world of spirit have been communicating with those of you in the physical world as far back as man has walked on this planet. Orthodox religion does not want their followers to understand this, because once they do, they will realize that God is within them, not in some far off real estate in the sky. Furthermore, a church and its priesthood is not required to communicate with the God within.

In the last several years of his life Rev. Hewitt has appeared on a weekly public access TV show, *Making Known the Unknown*, from Norwich, CT, where thousands of people have become acquainted with Spirit's teachings through him.

Spirit has appointed Sidney Schwartz to continue this work, therefore, in lieu of flowers please send a donation to: Gifts of the Spirit Church, 1836 Ashley River Road, Suite 315, Charleston, SC 29407

## Invocation for Memorial Service

Oh my beloved God  
Who resides within me.  
I wish to express my gratitude  
To you.  
For bringing me to this point in my life.

Oh my beloved God  
Come forward, this moment, this hour  
And go out into the universe  
And welcome all our spirit friends  
Who wish to join with us, this day  
To celebrate and honor  
The courageous spirit  
Of our brother  
Carl R. Hewitt.

Oh my beloved God  
Who resides within me  
Remove the pain and sorrow  
From within me  
Replace it with the knowledge  
Of the joy of everlasting life

Help me not grieve  
But to celebrate the life of our friend  
Carl R. Hewitt  
For we know he is extremely happy  
Residing his new body of light  
In his new dimension of life.

Let me be comforted with this knowledge  
And may peace flood my being.

I ask this to be done this day.  
And to be manifested  
This very moment.

So Be It.

## Benediction for memorial service

O my beloved God,  
Who resides within me.  
Come forward this moment, this hour  
And listen to these words.

We ask you to always remember  
And to constantly remind us  
Of these powerful words:  
Ask, and it shall be given  
Seek, and ye shall find.  
Knock and it shall be opened unto you.

We therefore ask  
To send blessings to the spirit  
Of Carl R. Hewitt  
That he may be strengthened  
And he may be energized  
To continue his work  
From the higher dimensions of life.

May he stay ever close  
With each and every one of us.  
And may we always be open  
To communicate with him,  
And all others  
From the higher dimensions of life.

We ask the blessings from Spirit  
To be strengthened  
So we may continue our chosen paths  
Yet still following in the footsteps  
Of our brother Carl Hewitt  
To become the instrument of Spirit  
Each in our own way  
And manifest our fulfilled destinies  
Of becoming a light unto the world  
And reaching our utmost potential.

We also ask this day,  
That the bonds between each of us in the physical  
Always remain in tact  
May we always remember  
That our beloved Spirit companions  
Are only a breath or thought away.

So say I  
To the Lord God  
Of my Being  
So Be it!
