

Cards Honoring Carl R. Hewitt

From Sylvia & Wayne Hawkins

Dear Sid,

We were sad to hear about Carl's passing, not for Carl's sake as much as the loss for the world. He will be greatly missed not only for the insight that he bore others, but also for his unconditional kindness, generosity, and openness. We were extremely touched by our meeting with him and he deeply touched not only our thought, but our souls.

Although you know that Carl will still be with you, the separation is traumatic. We hope that you will find much peace and comfort by feeling his presence in your life. May the gifts of the Spirit always fill your soul with joy and love.

with sympathy,
Sylvia & Wayne
