Rev. Kevin is an avid researcher and experimenter, and has travelled extensively to witness first hand both traditional and exotic forms of Mediumship. In 2014, he began presenting his research: "Precipitation Mediumship: Aspects of Art as Spirit Communication," which he has presented various conferences.

"My sole purpose is one of service in helping others, whether physically as a Nurse Anesthetist, as a volunteer, or spiritually as a Minister, Medium or Healer. I believe the ancient church of the Corinthians, as stated clearly in the Bible (1 Cor. 12: 1-11), got it correct in that each of us has a *Gift of Spirit* waiting to unfold."

Together with her husband, they operate *Haus Parzival* in Scharnachtal, Switzerland ([hausparzival.org](http://hausparzival.org)), where they hold healing sessions, lectures on spiritual themes, runs courses in spiritual development, and does private sittings and coaching.

During Ria's sittings and public presentations, she demonstrates psychic art, by drawing the portrait of the Spirit who is transmitting information to her, which she repeats to the physical sitter.

Ria's book entitled: *Your Child in a Different Light: Why Your Child Needs a Spiritual Education* based on dialogues with the spirit of her mentor Sita ten Cate will also be available."
